

5th December 2005

Dear Tour Members,

The pre-paid meal situation for Italy has become a problem due to the need to collect and forward payments and advise of names of reservations, prior to our departure, and in time to be received by our agents, well before our arrival in Rome.

If payments are not received by Wednesday 14th December 2005, it will be assumed that you do not require meals. Prepaid Lunch on the first day in Rome & Mestre/Venice is necessary to meet our ongoing schedules for those days.

Please complete the Prepaid MEALS FORM and forward the applicable payment as required to ClassRooms Around The World Pty Ltd. Please indicate if your selection is for more than one (1) person.

If you wish to undertake all the half board meals as advised the amount is \$178.00/person. (Breakfast is already included at all Italy Hotels)
